FREE ADMISSION - All welcome

When I'm talking with those I represent, improving opportunities for young people's training and job prospects is a real a priority in south Bristol.

So I'm pleased to be organising a Jobs and Apprenticeships Fair which is specifically for south Bristol people.

- Find out what apprenticeship opportunities are available
- Learn how to find an apprenticeship: what employers are looking for, how they recruit and what training they offer
- Talk to apprentices about what life's like for them
- Find out from employers about training, and what they look for when they're recruiting
- Bring your CV to show to employers and to get advice about how to make it stronger

... and for small businesses

- How to take on an apprentice without bureaucracy
- How to pay and how to recruit
- Find out about the new Apprenticeships Levy

Whether you're a secondary school or sixth form student; an adult looking to get back into work, an employer, or a parent / carer, you're invited to come along to understand what pathways are open to young people.

All are welcome.

Karin Smyth MP

P.S. If you're an employer and want to get involved, please contact 0117 9533575 or email karin.smyth.mp@parliament.uk
